Hi Sarah,  
Thanks for thinking of that!

I have only updated the Class I permit documents and the Class V permit. Here is the updated Class I permit. I will send you the other two documents in separate emails.

I appreciate your input.

**Subject:** updated permits?

Hi Valois –

Can you send me the versions of the permits and fact sheets that you have updated based on Darcy's comments? I don't think I'm going to get through them all on a detailed level before our release date, but I have gotten through some of them and wanted to send you my comments. To help with version control, though, I wanted to send you my comments electronically on the very latest version so you don't have to sort through that.

If you could send me those tomorrow, I'll try to get you any comments I have by Monday morning.

Thanks!  
Sarah
